# *Become a MOPS Coach*

## **WHO WE ARE**

MOPS coaches are a high level, thriving group of women who volunteer their time to support the mission and vision of MOPS International. Volunteers are passionate Christ followers, called and committed to intentionally investing in supporting groups across the country and around the world.

## **MOPS COACHING IS FOR YOU IF YOU...**

- Love other people.
- Desire to support current leaders as they learn and lead their MOPS groups.
- Are passionate about helping create space for moms to connect with each other and to Jesus.
- Have a heart for service (not just completing tasks) and understand the impact your investment has to transform lives, communities and the world.
