

Preschool and First Grade Craft

YARN STAR ORNAMENT

MATERIALS PROVIDED:

- Star template

MATERIALS NEEDED:

- Yarn
- Tape
- Scissors (rounded tips)
- Heavy white construction paper or cardstock

INSTRUCTIONS:

1. Print off one star template for each child and assist them in cutting it out.
2. Create a loop with the yarn for a hook and tape it to the back of the star.
3. Allow child to wrap the yarn around the star as much as he wants, then cut the yarn and tape it to the back of the ornament.

While the child wraps the yarn around the star, take the time to tell him about the very special star of Christmas. When finished, find a special place to hang it or a special person to give it to.
