YOUR NEIGHBORHOOD

I came to Mariners Church because of MOPS! MOPS was the doorway for my family to get plugged in and for me to step into leadership for the first time at a church. MOPS is an integral part of our women's ministry here at Mariners. It is a training ground for our moms to grow in leadership, spiritual discipline and depth of relationship – both in friendships and spiritual journey with the Lord. Many women step into faith for the first time through MOPS.
