About Us

We don't sell mops; we gather moms. Here at MOPS, we believe in the simple but revolutionary idea that remarkable things happen when moms come together. That's why we rally women, in their own neighborhoods, to help them become more brave, kind and honest, one gathering at a time.

We're a family friendly, faith-based organization looking for hungry, smart and humble individuals to grow MOPS and make us better at cultivating communities of moms around the world. We have fun as we work, and when all else fails we eat chocolate and drink coffee together.

If the warm fuzzy feelings you get from serving moms aren't enough, we also offer benefits like health insurance, a retirement plan that MOPS matches, and lots of holidays and vacation days. So get ready to work hard, laugh often and celebrate victories with us along the way.
